Rockchip

Combining all-weather protection with flexible customization, the CCL Outdoor Kiosk delivers a stable and efficient interactive experience, making convenience within reach.

All-Weather Outdoor Protection

IP55-rated sealed design resists sun, rain, and dust, ensuring stable operation in complex outdoor environments around the clock while reducing maintenance costs.

High-Brightness Clear Display

27-inch 1800 nits high-brightness outdoor screen with AG anti-glare glass remains clearly visible under strong light. Responsive touch supports wet and gloved hands, enhancing outdoor interaction.

Intelligent Environmental Sensing

Built-in temperature sensing system automatically heats or dissipates heat based on ambient conditions and intelligently adjusts screen brightness to balance energy savings and device lifespan across seasonal temperature changes.

Flexible Payment Terminal Customization

Standard 1D/2D barcode scanner supports mobile screen scanning. Payment terminals can be optionally configured or customized according to customer needs, flexibly adapting to different checkout scenarios.

Effectively protects the printer paper output. Transparent window for easy ticket retrieval.

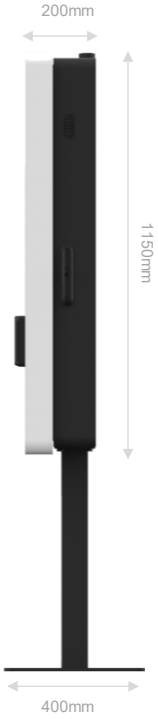

EMV Payment Device can be customized to customer requirements and is easy to replace.
