Point of Sale - **S2 Model**

Powerful Core, Minimalist Design

CREATE CONVENIENT LIFE

15-inch
Windows

Minimalist, fanless, and built to last, a dual-screen POS delivering dependable performance for seamless operations.

Powerful Core, Blazing-Fast Response

Powered by Intel® 12th Gen Core processors, it delivers robust computing performance to effortlessly handle high-concurrency checkout, big data processing, and complex business systems, ensuring smooth, lag-free operation.

Fanless Design, Silent & Stable

The fanless thermal design physically blocks dust and oil intrusion while operating with zero noise. Whether in a bustling supermarket or a quiet boutique, it provides lasting stability and significantly extends device lifespan.

Dual-Screen Flexibility, Versatile Adaptation

Featuring a 15" main screen and flexible 15"/9.7" secondary options to meet diverse industry needs. The main screen ensures highly efficient checkout, while the secondary screen mirrors transaction details and doubles as a promotional display to drive additional revenue.

Minimalist Business Style, Rich Interfaces

Features a clean, rigid design with outstanding business (texture/quality), balancing sturdiness and fashion. Equipped with rich external interfaces (7×USB, 4×RS232, RJ45, etc.), it flexibly connects printers, cash drawers, scanners, and other peripherals to fully satisfy diverse POS application scenarios.
