Point of Sale - **S2P Model**

Powerful Core, Minimalist Design

CREATE CONVENIENT LIFE

15.6-inch
Android

Rockchip

Minimalist, fanless, and built to last, a dual-screen POS delivering dependable performance for seamless operations.

Powerful Core, Blazing-Fast Response

Powered by the RK3568 processor, the S2P delivers robust computing performance to effortlessly handle high-concurrency checkout, big data processing, and complex Android business systems. Enjoy smooth, lag-free operation all day long.

Fanless Design, Silent & Stable

The fanless thermal design physically blocks dust and oil intrusion while operating with zero noise. Whether in a bustling supermarket or a quiet boutique, it provides lasting stability and significantly extends device lifespan.

Dual 15.6" Screens, Seamless Interaction

Dual 15.6-inch FHD displays deliver a seamless interaction experience. The main screen ensures highly efficient checkout operations, while the secondary screen mirrors transaction details and doubles as a promotional display to drive additional revenue.

Minimalist Business Style, Rich Interfaces

Features a clean, rigid design with outstanding business (texture/quality), balancing sturdiness and fashion. Equipped with rich external interfaces, it flexibly connects printers, cash drawers, scanners, and other peripherals to fully satisfy diverse POS application scenarios.
