Point of Sale - **S3P Model**

CREATE CONVENIENT LIFE

Engineered to Perfection, Designed for Flow

15.6-inch
Windows

A modular POS platform that adapts to retail and hospitality environments of every size, pairing flexible configuration with dependable, all-day performance.

Performance Beyond Speed, Powered from Within

Powered by Intel 12th Gen Core delivering blazing-fast performance. Fanless, low-power design ensures silent operation and unwavering stability. From hardware architecture to user interaction, every detail is engineered for a seamless, efficient experience.

Boundless display, Silk-Touch Response

Full-lamination technology breaks visual barriers, while ultra-slim bezels offer an immersive display. Every swipe feels fluid and instant. Where responsiveness meets comfort, each interaction is perfectly tuned.

Minimalist Form, Masterful Craft

Crafted from full-metal aluminum alloy—rigid yet remarkably light. Finished with premium metallic coating, smooth to the touch like refined skin. Every seam, every curve speaks of meticulous engineering and enduring elegance.

Dual-Axis, Effortless Motion

Smooth multi-angle adjustment with friction-free suspension. Supports 15.6” and 10.1” secondary screens, offering flexible expansion for diverse interactive scenarios. Single-hinge basic base — a simple choice for stable support.
